any scheme for converting CGPA into equivalent marks, the equivalence would be established by dividing the candidate's CGPA by the maximum possible CGPA and multiplying the result with 100.

Stage 1: Shortlisting of candidates based on eligibility criteria

The candidates are shortlisted to the selection process based on the information provided in the online application form and supporting documents uploaded. The candidates meeting the eligibility criteria will be called for the stage 2.

Stage 2&3: EMAT and Personal interview

A. EMAT (Executive Management Aptitude Test)

The EMAT would assess the basic logical, numerical and verbal ability of candidates, necessary for successful completion of the programme. The objective of the screening test is to filter the entry of candidates to the Executive Post Graduate Programme (EPGP) in Management offered by IIMK, in order to ensure the required standards by assessing the capabilities of the applicants in an objective manner. - GRE verbal reasoning score of 151, quantitative reasoning score of 152, and analytical writing score of 3.5

Communication & Aptitude, Academic Efforts, Quality & Length of Work Experience, General and Business Awareness, as well as Managerial/Leadership Competence.

The **minimum cut off for the interview** based on the standardized marks is given below.

General	25% of the total marks
OBC (NC), EWS & Women	20% of the total marks
SC	15% of the total marks
ST	15% of the total marks
PwD	15% of the total marks

The merit list will be prepared by summing up the scores of EMAT/CAT/GRE/GMAT (40% weightage) and PI (60% weightage). Admission will be based on the merit list. Securing only the minimum score in (A) AND/OR (B) above does not entail admission.

Applicants with Distinguished Accomplishments
