

International Conference

# MathSport Asia 2026

📅 December 08-10, 2026 📍 IIM Kozhikode, Kerala, India

MathSport Asia seeks to promote the application of mathematics, statistics, and computational methods in sports by bringing together various stakeholders including academicians, sports professionals, sports bodies, industry, sports academies, sports leagues, and government organizations. MSA 2026, the third edition of this biennial conference series, held under the aegis of MathSport Asia across Asia, will take place at the Indian Institute of Management Kozhikode from December 08–10, 2026.

## CALL FOR PAPERS

We invite researchers, practitioners, and students to participate in the MathSport Asia 2026 International Conference. Submissions are welcome from a wide range of topics including;

- Mathematical Models in Sports
- Performance Measures and Models
- Optimization in Sports
- Statistics and Probability Models
- Match Outcome Models
- Competitive Strategy
- Game Theoretical Models
- Econometric Modeling of Sports
- Sports Analytics and AI
- Tournament Design and Scheduling
- E-sports (Gaming)
- Betting and Sports
- + Many more....

However, submissions are not limited to the above topics, and papers addressing any aspect of sports using mathematical, computational, or statistical approaches are welcome.

Authors are invited to submit abstracts (maximum 500 words) via the Microsoft CMT portal. Abstracts should include 3–5 keywords and be written in English.

**Submission link:** <https://cmt3.research.microsoft.com/MSA2026/Submission/Index>

Check conference website for information regarding Conference Proceedings of full papers.
