Frequently Asked Questions

Are there any LIVE sessions with the institute faculty in this course?

Yes, all 12 modules by IIMK are having weekly 100% live-online delivery by IIMK faculty. Additionally, there are 2 modules of pre-recorded lectures by the faculty of Kellogg Executive Education

How would the learning experience be for the 12 modules by IIM Kozhikode (IIMK)?

There would be weekly live-online lectures conducted by IIMK faculty spread across twelve modules for a duration of around 9 months*. The learning experience would include rich discussions with eminent faculty and seasoned peers, case-based learning, structured insights from industry practitioners, hands-on business simulations, and guided capstone project work.

How would the learning experience be for the 2 modules by Kellogg Executive Education?

There would be two modules of pre-recorded lectures by the faculty of Kellogg School of Management spread across 3 months*. Gain global exposure and interact with global peers. The learning experience would include self-paced pre-recorded lectures by faculty of Kellogg School of Management, live sessions by Programme Leaders, exposure to practical frameworks and real-world application, project work, and exposure to a multitude of business use-cases.

What is the role of the Programme Leader? Are they institute faculty?

Programme Leaders are subject matter experts who help with doubt-clearing, cover specific topics deeper and share real-world examples wherever needed. They are not faculty of the institute. The Programme Leaders would only be a part of the two modules by Kellogg Executive Education.

Is there any campus immersion in the programme?

For an immersive and experiential learning journey, the programme offers a campus chapter at IIM Kozhikode campus for 3 days towards the end of the programme, providing a rich networking and face-to-face learning opportunity.

Who evaluates the assignments, projects and simulations for this programme?

For the modules by IIMK, the actual evaluation and grading is at the discretion of the IIM Kozhikode faculty.
For the modules by Kellogg Executive Education, the evaluation is done by the Programme leaders.

What if I miss the assignments for a particular week? Can I attempt them later?

For modules by IIM Kozhikode, it is at the IIMK faculty's discretion to provide/ not-provide any relaxation in the submission of a graded assignments. For modules by Kellogg Executive Education, an assignment that is not submitted by the due date is late. All late assignments will be accepted until one week after the end date of modules by Kellogg Executive Education.

Who is the faculty for the LIVE Lectures/ Online sessions/ Doubt-Clearing sessions?

For modules by IIMK, LIVE-online lectures are conducted by the faculty of IIM Kozhikode, who have real-world experience in the domain. For the modules by Kellogg, there are no live lectures by the faculty of Kellogg School of Management. However, doubt-clearing sessions are carried out by the Programme Leaders, as they monitor individual student progress.

Frequently Asked Questions

Are the business simulations, if covered in this course taught by institute faculty?

Yes, there are multiple business simulations in the programme on strategic finance, which are taught by the faculty of IIM Kozhikode.

Is there a qualifying mark/ grade to get the final certification in this course?

IIM Kozhikode Certification Criteria: Participants must successfully complete all evaluation components by IIM Kozhikode with minimum pass marks and meet the requisite 75% minimum attendance criteria to obtain Certificate of Completion from IIM Kozhikode. Participants who are unable to clear the evaluation criteria but have the requisite 75% attendance will be awarded a Participation Certificate by IIM Kozhikode.

Kellogg Executive Education Certification Criteria: Participants must successfully complete all requirements of respective modules and must receive a passing score of 80% to obtain the certificate of completion by Kellogg Executive Education for the respective modules.

Do I get Alumni status of the Institute on completion of this course?

Yes, on successfully completing this programme, you will be eligible to receive IIM Kozhikode Executive Alumni Status.

Will Emeritus/ Institute help with placement services?

This programme is designed with some of the best faculty and to cover relevant topics in a manner that creates positive career outcomes. However, we do not offer any additional career/placement services with this programme.

What type of certificate will I receive?

Upon successful completion of modules by IIM Kozhikode, you will receive physical completion certificate by IIM Kozhikode during the campus immersion.

Upon successful completion of each module of Kellogg Executive Education, you will receive a smart digital certificate. The smart digital certificate can be shared with friends, family, schools, or potential employers. You can use it on your cover letter, resume, and/or display it on your LinkedIn profile. The digital certificate will be sent approximately two weeks after the programme, once grading is complete.

How long will I have access to the learning materials?

For the modules by IIM Kozhikode, access to the recording of the live sessions will be made available to you until the completion of the programme. For the modules by Kellogg Executive Education, access to the online learning platform, all the videos and programme materials will be available for 12 months following the programme start date. Access to the learning platform is restricted to registered participants as per the terms of agreement.

*The programme is designed to be delivered approximately over a period of 12 months, including some occasional breaks that may be provided. This is indicative. The duration of modules by IIMK and Kellogg Executive Education is tentative. The actual calendar time may be more or less by a few weeks depending on the number of topics covered during on-campus immersion and other variables like breaks provided/not provided.

This Course Summary is provided only for your convenience. You are advised to refer to the Course Brochure for more information.

The IIM Kozhikode Advantage From The Director's Desk

Businesses today are undergoing rapid changes and transitions compared to a decade ago.

IIM Kozhikode programmes are designed by world-class faculty. Their cutting-edge thought leadership and industry-leading insights empower participants to manage and lead complex business challenges with confidence and informed decision-making ability. Our growing global footprints acknowledged and accredited by leading institutions of the world are a testimony to growth we have achieved in our 27-year journey of academic excellence. Having ample foresight as an educational institution is vital, in a world that is rapidly changing.

That is why we have chosen to think about what IIM Kozhikode will be able to contribute to India and the world some three decades from now with 'Vision 2047: Globalizing Indian Thought'. The Institute has set for itself a pre-eminent role with the above motto. The sheer scale, scope, and potential impact that India will have on 21st-century businesses makes us believe that this is a crucial aspiration.

For the ambitious, future-thinking CFO, IIMK's programme expands many horizons. Firstly, heighten your credibility with a certificate from one of India's premier business schools. Secondly, you get both a bird's eye view of the financial drivers in a dynamic global economy and a trench-view of data-driven ground realities to drive long-term value. This dual view is made possible by immersion in every CFO strong suit, from gauging opportunity and strategically managing risks to optimizing costs and mastering new tech.

Thirdly, you can access a global network of seasoned leaders in an avid learning environment, capped by advanced modules from Kellogg School of Management, a top-ranked US university. This multi-dimensional experience will forge the well-rounded, decisive CFO of today, capable of navigating a high-stakes competitive global arena.

Wishing you all the very best!

Prof. Debashis Chatterjee

Director,
Indian Institute of Management Kozhikode

Top 4 Priorities for CFOs in 2024

Priority 1:

Leading transformation efforts: 70% of finance transformations are either less impactful or moving slower than expected.

CFO's Action: Embrace digital leadership

- Improve digital leadership proficiency within finance
- Rethink your finance talent strategy.
- Partner more effectively with your CIO.

Priority 2:

Evaluating or improving the finance function's strategy and design: Through 2025, more than 40% of finance roles will be either new or significantly reshaped due to finance technology.

CFO's Action: Adapt the finance operating model for an autonomous future

- Finance teams will work more like technology teams.
- Machines will play a bigger role in decision making.
- The comparative advantages of the center will grow.

Priority 3:

Optimizing costs: While prioritization of cost management has increased 74% since 2022, 81% of CFOs anticipate increasing technology investment.

CFO's Action: Reframe expectations and processes for digital investment leadership

- Develop living project charters
- Evaluate costs for nonfinancial KPIs.
- Apply lessons learned to new projects

Priority 4:

Leading change management efforts Organisations have seen a 50% decline in employees' ability to absorb changes before becoming fatigued.

CFO's Action: Address overlooked drivers of change fatigue

- Maintain an up-to-date awareness of change impact.
- Co-create employee-driven change conversations.
- Plan proactively

Programme Overview

43%

of finance leaders say establishing finance as a partner to the business is one of the top three priorities for the finance function in the next 12 months

84%

of CFOs agree that there is a need to improve forecasting accuracy in their organisations, which will allow them to prioritize and allocate capital and resources to strategic initiatives.

For the future CFO, this means the current role is one of dynamic leadership – leading the new wave of finance transformation, optimising finance technology investments, lead drivers of change, and spearheading profitability with a sound understanding of environmental impact on business.

To enable modern-day CFOs' transformative journey, **IIM Kozhikode** has launched its **Chief Financial Officer (CFO) Programme**. This **12-month programme**, is designed to transform the career path of **new and aspiring CFOs**. The programme is delivered via **live online sessions by top IIMK faculty** and concluded with a **three-day campus immersion at IIM Kozhikode**. From strategic performance management to C-suite leadership, the programme equips you with the tools and insights needed to **navigate corporate restructuring, lead transformation, change management, and spearhead digital and finance technology investments**, while also fostering ethical financial leadership, innovative thinking and **business profitability**.

Participants will also **gain global advantage through learning from pre-recorded lectures by Kellogg Executive Education**, on 'Leading Growth Strategy' and 'Business Leadership in the Age of Disruption'.

Programme Directors

With nearly 33 years of academic experience in India, New Zealand and Australia, Prof. VG Sridharan has taught cost accounting, financial accounting, management control systems, strategic performance management and research methods in a number of renowned Institutes; including the Indian Institute of Management Bangalore, University of Auckland, University of Melbourne, Deakin University at Melbourne and the University of Adelaide.

VG Sridharan

Chair Professor,
Finance, Accounting & Control,
IIM Kozhikode

His research papers have been published in leading managerial accounting journals including Management Accounting Research, Journal of Management Accounting Research, Accounting and Finance, Accounting, Auditing and Accountability Journal.

He was awarded the best research reviewer award in 2021 from American Accounting Association.

“ Today CFOs face the challenge of balancing strategy with implementation, revenue growth with profitability, innovation with sustainability, and employee engagement with organisational goals. Negotiating this delicate balance in a dynamic market requires a unique skill set, which the IIMK programme provides. Moreover, it fosters an enriching and encouraging atmosphere conducive to personal growth, professional development, and effective leadership.

”

Equipped with a Ph.D. from IIT Bombay and a Fulbright Visiting Scholar at UC Berkeley, Prof. Abhilash Nair received the Best Professor of Financial Management award in 2011 by CMO Council™ Asia Pacific. He attended GloColl at Harvard Business School and has expertise in asset pricing, market microstructure, and regulatory economics. He has consulted for entities like Multi Commodity Exchange, Kerala State Electricity Board, Cochin Shipyard Ltd amongst others. He has been a member of the Primary Markets Advisory Committee (PMAC) of the Securities and Exchange Board of India (SEBI) from 2017-2022. He is also an advisor to the BFSI skill development initiative of the Government of Kerala.

Abhilash S Nair

Professor,
Finance, Accounting & Control,
IIM Kozhikode

“ Tomorrow's accomplished CFOs will excel by strategically leveraging technology for long-term planning while staying attuned to market dynamics. The IIMK program cultivates expertise across a broad spectrum of executive finance skills to adeptly confront and overcome diverse business challenges.

”

Programme Directors

A Ph.D. from IGIDR and a mid-career fellow at Princeton University, Prof. Mridul Kumar Saggar has three decades of experience in various central banking functions.

As former Executive Director at the RBI, he oversaw the central bank's monetary policy and economics research functions. He was also one of the six members of the RBI's Monetary Policy Committee (MPC) in charge of making collegiate decisions on policy interest rate and the monetary policy stance. He has also served as the Head of the International Department of RBI, representing India at various international bodies. He was also the Investor Education and Protection Fund Authority (IEPF) Chair Professor at NCAER in 2022. Currently, he has been on-boarded as an expert by the International Monetary Fund (IMF) to render advise to IMF member countries in the area of monetary policy.

Mridul Kumar Saggar
Professor of Practice - Economics
IIM Kozhikode

“ As the macro-financial landscape evolves rapidly, the role of CFO demands continuous upskilling to navigate complexities and drive strategic financial decisions in the backdrop of changing business and financial cycles. The IIMK program equips CFOs with cutting-edge tools and insights, empowering them to stay ahead in today's dynamic business environment, seize opportunities, and deliver sustainable growth for their organisations ”

- Change Management

3-DAY IMMERSION AT IIMK CAMPUS

Towards the end of the programme, participants will get to visit IIMK campus where they will network and collaborate with like-minded peers, and learn with top IIM Kozhikode faculty through practical hands-on sessions, class discussions, and graded project presentations.

Note:

- The in-campus modules are subject to the conditions/ unavoidable circumstances that prevail at the given point in time. In case the current situation maintains the status quo, suitable alternatives that can replace the in-campus modules will be made available via live online sessions.
- The modules and topics are indicative and subject to change at the discretion of programme coordinators.
- The primary mode of learning for this programme is via live online sessions with IIM Kozhikode faculty members.
- The modules by Kellogg Executive Education would primarily include pre-recorded video lectures by faculty of Kellogg Executive Education
- The recording of the live sessions will be made available to the participants until the completion of the programme
- The programme curriculum includes individual class readings, assignments, quizzes, business simulations, case study discussions, guided capstone project, graded project presentations and much more to apply and demonstrate classroom learning.

Capstone Project

(Guided by IIM Kozhikode Faculty)

Embark on a transformative journey with a group Capstone Project guided and evaluated by IIMK Faculty. The participants will have the opportunity to learn and discuss during the interim and final presentations. Indicative topics for the Capstone Project includes:

A. Business Plan Development

Explore a business idea, a market that can be served, a business canvas and in the process prepare the detail plan for a successful entrepreneurial venture. Participants would work on resource metric, the projected business model, projected financial statements while aiming to start a successful venture through a proper judgement of operations, risk and a strategy which is dynamic, innovative and sustainable in nature.

B. Case Problem Resolution

Participants would work on an inherently important business problem that involves complex decision-making dilemmas or trade-offs. For instance, promotion of a new innovative product that the company has expertise on, may increase the carbon emission, which is affecting ethical sustainability or of macroeconomic decision that affects economy and business. Alternatively, participants may work on a problem that can be either puzzling or counter-intuitive or even contradictory to existing theory of knowledge to build durable and sustainable solution.

Hands-On Business Simulations

Mergers and Acquisition Simulation:

Comparing valuation methods, including WACC-based DCF (Discounted Cash Flow), APV (Adjusted Present Value), and Multiples

Understanding mergers and acquisitions strategy, negotiating and selecting target companies.

Understanding value creation in an M&A transactions.

Differentiating between all-equity transactions and cash deals.

Macroeconomics Simulation:

Recognize that monetary and fiscal policy decisions have important consequences for a country's economy with profound implications for financial planning for businesses

Apply core macroeconomics concepts by making monetary and fiscal policy decisions

Understand the trade-offs of monetary and fiscal policy decisions.

Adapt economic policy decision to the changing state of economic and financial conditions in an integrated world, understanding spillovers to businesses

Real-World Case Studies

Mariott Corporation: The Cost of Capital

Recommend hurdle rates for Marriott's divisions to select by discounting appropriate cash flows by the appropriate hurdle rate for each division.

Valuation of Air Thread Connections

Learn to select the appropriate valuation approach where capital structure is dynamic. Analyze the effects of non-operating assets on valuation.

ScoreStore.com

Valuing Managerial Flexibility, Work on decision trees, option valuation and simulation for valuing managerial flexibility for a services venture

Real Options for EDW and CRM at Global Airlines

Calculate real option values, excel Monte Carlo analysis, and understand the difference between tactical vs. strategic growth options

- Additional convenience charges will be applicable on instalment payments.
- The school will be providing study materials in an electronic format. If a participant needs a physical copy, they will have to bear the courier charges.
- If a programme session corresponds with a public holiday, the session will be held on the following weekend.
- The in-class experience of face-to-face interaction with the faculty provides an opportunity for immersion in the Institute's academic environment. The campus visit is mandatory for all participants.

Round Wise Application Dates

Note: Admissions are on a first-come, first-serve basis. There might not be subsequent rounds if seats are filled in the initial rounds.

About IIM Kozhikode

Started in 1997 with its Post Graduate Programme (PGP), the Indian Institute of Management Kozhikode (IIMK) is on a high growth trajectory today, offering a wide range of academic programmes in the field of management education. These include the Fellow Programme in Management, Executive PG Programmes, Management Development Programmes and Faculty Development Programs. IIMK set up a Satellite campus at Infopark, Kochi, in 2013 dedicated to Executive Education. IIMK has also the unique distinction of launching a PhD (Practice Track) programme for working professionals besides bringing in new dynamic programmes such as the one-year Post Graduate programme in Business Leadership (2019) MBA in Finance and MBA in Liberal Studies & Management (2020). The institute is also home to IIMK LIVE a first-of-its-kind startup incubation programme and the Indian Business Museum

IIMK is ranked 3rd as per NIRF India Rankings 2023: Management. The institute also features regularly among top global institutes for its flagship MBA (PGP) and EMBA programme (EPGP) in the QS World University Rankings. The institute has leapfrogged 100 spots to be placed in the Top 251-300 Institutes in Business & Management Studies globally, as per the QS World University Rankings by Subject 2023. It has the distinction of being the only IIM in the coveted innovation rankings. IIM Kozhikode is globally accredited by EQUIS (EFMD) and AMBA (UK).

IIM Kozhikode also made its debut in the prestigious Financial Times Rankings (FT Rankings 2023) in the 72nd position among the top-75 open-enrolment executive programme providers globally, catapulting the 27-year IIM on to an exclusive list of the foremost providers of executive education in the world. The institute has also now entered in global top-100 at Rank #77 for FT Masters in Management (MIM) 2023 Rankings, for its full time MBA programme. IIM Kozhikode has successfully delivered close to 1300 MDP programmes over the past two decades, training more than 41,000 participants from 150+ organisations, which also includes several Fortune 500 companies in the process.
