BRIEF BACKGROUND

The Indian Institute of Management Kozhikode was established in 1996 by the Government of India as the fourth IIM in the country, in collaboration with the state government of Kerala. Spread over about 115 acres of land, the Institute is situated on two hillocks, located amidst the scenic setting of the Western Ghats. The Institute, known for its rigorous academic programs, has emerged as a centre of excellence in management education and has earned a unique position for itself in this field.

IMPORTANT INFORMATION

1. International Exchange (IE) program is open only for masters' students who are in their final year of study. Undergraduate students are not eligible to apply.
2. Class attendance is an integral part of the curriculum at IIMK. Occasionally, classes are scheduled until late evenings and during weekends to accommodate large number of elective courses. Due to this, it is necessary that a student always spends his/her time in the campus during the term.
3. Some courses are highly quantitative in nature. Hence, prospective students to IE program are strongly encouraged to diligently go through the detailed course outlines and make an informed selection of the courses before the term deadlines given below.
4. Owing to limited availability of vacant slots and pre-requisites for courses, it is not possible to guarantee that every student will be allotted the courses he/she opts for. Nonetheless, IRO tries its best to allot the courses based on the choices provided by the students.
5. After obtaining confirmation from the students regarding their course allotment, IRO freezes the same and any further requests for change of courses will not be pertained.

DOCUMENTATION: TO BE SUBMITTED ELECTRONICALLY

1. Duly filled-in IIMK registration form received by the candidate by email after his nomination by his/her home institution
2. Scanned copy of passport pages showing date of birth, nationality and address
3. Official transcripts of all the courses completed to date by the candidate in his/her current program
4. A certificate attesting student's English language skills (oral and written) must be provided by a competent authority.
5. Colour photograph (max 200kb). Five passport size photographs should be submitted to the International Relations office upon arrival.
