The deadline for submission of the qualifying degree/equivalent mark sheet and certificate is December 31, 2025. Non- fulfillment of this condition will automatically result in the cancellation of the provisional admission.

¹ Candidates who have not received any marks in their Post Graduation/ Graduation/Class 12th/Class 10th (due to Covid-19 pandemic) but have a pass certificate will be accepted to Stage 2 subject to providing a self-declaration in Stage-1 about the non-availability of marks. Independent vetting may be conducted for Graduation/Post Graduation with the concerned University/College.

In Stage 1, along with the basic eligibility, the following minimum eligibility criteria will be applied to all candidates who have opted for IIM Kozhikode.

All CAT 2024 candidates who have opted for IIM Kozhikode and are fulfilling the above-mentioned minimum eligibility criteria are eligible to register for the IIM Kozhikode PGP-LSM program and will receive an email for online registration. GRE/GMAT candidates who fulfill the above-mentioned minimum eligibility criteria may register for the IIM Kozhikode PGP-LSM program by using the link that will be provided on the IIMK website by the end of January 2025. Only those candidates who have completed the online registration process will be considered for Stage 2. Please note that this is a pre-interview registration process and not the call for interview.

Stage 2: Shortlisting for Writing Ability Test (WAT) and Personal Interview (PI)

The Stage 2 process applies to all eligible candidates who have completed the registration process in Stage 1 for admission to IIMK, and it is for the determination of the candidates to be called for personal interview (PI). A shortlist of candidates in each category will be prepared based on an Aggregate Index Score (AIS). The weightage of each component in the AIS is as follows:

Table 2: Aggregate Index Score Computation for Stage 2 Shortlist

Component	Weightage
Verbal and Reasoning Sections Scaled Scores	40%
Class X Percentage Score*	20%
Class XII Percentage Score**	20%
Academic Diversity Score	10%
Gender Diversity Score	5%
Work Experience Score	5%

* For candidates who have not received any marks for their SSC/Class X/IB/Equivalent due to the outbreak of Covid-19 pandemic, the weightage allocated (20%) shall be proportionately split between the Verbal and Reasoning Sections Scaled Score and Class XII Percentage Score.

** For candidates who have not received any marks for their HSC/Class XII/IB/Equivalent/Diploma due to the outbreak of Covid-19 pandemic, the weightage allocated (20%) shall be proportionately split between the Verbal and Reasoning Sections Scaled Score and Class X Percentage Score.

The details of each component are given as follows:

1) Verbal and Reasoning Sections Scaled Score

Scaled scores from the Verbal and the Reasoning Sections (with equal weightages) of CAT/GRE/GMAT will be considered for the computation of the Verbal and Reasoning Sections Scaled Score. The Verbal and Reasoning Sections Score will carry a weightage of 40%. An equivalent scaled sectional score for GRE/GMAT will be calculated as per the following method:

If a candidate receives x percentile in GMAT/GRE, the equivalent CAT scaled score may be computed as the median of all the scaled CAT scores belonging to the interval $(x-0.5, x+0.5]$.

2) SSC/Class X/IB/Equivalent Percentage Score

The percentage of marks obtained in SSC/Class X/IB/Equivalent would be calculated **based on the aggregate marks of all subjects** that appear in the marks sheet or grade sheet, irrespective of whether the respective Board considers them for calculation of percentage. The SSC/Class X/IB/Equivalent percentage scores are first adjusted by dividing each score by the respective Board's highest percentage score, and then that adjusted score is multiplied by 20. The database of SSC/Class X/IB/Equivalent percentage scores of all CAT applicants for the past three years including the current year is used for identifying the highest percentage score of a Board. For candidates who have not received any marks for their SSC/Class X/IB/Equivalent due to the outbreak of Covid-19 pandemic, the weightage allocated (20%) shall be proportionately split between the Verbal and Reasoning Sections Scaled Score and Class XII Percentage Score.

3) HSC/Class XII/IB/Equivalent/Diploma Percentage Score

The percentage of marks obtained in HSC/Class XII/IB/Equivalent/Diploma would be calculated based on the **aggregate marks of all subjects that appear in the marks sheet or grade sheet**, irrespective of whether the respective Board considers them for calculation of percentage. The HSC/Class XII/IB/Equivalent/Diploma percentage scores are first adjusted by dividing each score by the highest percentage score obtained in the stream of that Board and then that adjusted score is multiplied by 20. The database of HSC/Class XII/IB/Equivalent/Diploma percentage scores of all CAT applicants for the past three years including the current year is used for identifying the highest percentage score of a stream in a Board. For candidates who have not received any marks for their HSC/Class XII/IB/Equivalent/Diploma due to the outbreak of the Covid-19 pandemic, the weightage allocated (20%) shall be proportionately split between the Verbal and Reasoning Sections Scaled Score and Class X Percentage Score.

4) Academic Diversity Score

Marks are awarded for academic diversity. A candidate holding (or pursuing) a Bachelor's degree or equivalent in a discipline outside of Engineering/Technology qualifies for an academic diversity score of 10. A candidate with an engineering/technology degree and a bachelor's degree in a non-engineering/technology discipline is also eligible for the same academic diversity score of 10, provided candidate scores 60% aggregate marks in the non-engineering degree also.

5) Gender Diversity Score

Marks are awarded for gender diversity. Only female/transgender candidates are eligible for a gender diversity score. The Gender Diversity Score will carry a weightage of 5%.

6) Work Experience Score

a) Previous work/professional experience will carry a weightage of up to 5%, depending on the length of service as on December 31, 2024. Only fulltime remunerative work experience after graduation/(CA/CMA(ICWA)/CS)* will be considered. Part-time/Project/Internship/Articleship/Pre-Graduation/Fellowship work experience will not be counted as work experience. A candidate with a work experience of 6 months or above will be eligible for work experience score. The details are provided in [Annexure 1](#).

*For details refer Stage-1, minimum eligibility criteria

b) Regarding Self-employment/partnership experience: fulltime self-employment must be established using **income tax returns** pertaining to years of employment or assessment year preceding to year of CAT registration, and any two of the following documents:

- i. Registered partnership deed,
- ii. MCA/RoC firm registration certificate,
- iii. GST registration of firm,
- iv. Firm's audited statements of account (for at least two continuous financial years),
- v. DIPP Certificate of Recognition.

At least one of these documents must indicate the name of the firm and the candidate's name as Promoter/Director. The other document must refer to the firm's name or registration number. The later date in these two submitted documents will be taken as the start date of self-employment. Both dates used to calculate the start of self-employment must be after the date of award of candidate's qualifying educational degree. The details are provided in [Annexure 1](#).

Stage 3: Final Shortlist

The short-listed candidates must appear for a Written Ability Test (WAT) followed by a Personal Interview (PI). IIM Kozhikode will conduct the WAT and PI in Bengaluru, Hyderabad, Kolkata, Kozhikode, Mumbai and New Delhi. The entire process will last for a half-day (morning or afternoon). In this process, the candidates will write an essay, followed by a PI. The essay topic will be announced at the venue just before the start of the WAT session. During the PI process, the panel will evaluate the candidates based on their Communication, Attitude, and Personality, General and Business Awareness, Liberal Studies Aptitude, Managerial and Leadership Aptitude, and Quality of Work Experience.

After the conclusion of the WAT and PI process, the final scores will be computed (see Table 3) based on the performance in AIS Score, WAT, and PI Score. Category-wise merit list will be prepared based on the final scores. Admission offers will be made to candidates following the merit list as per the Government of India reservation norms.

Table 3: Final Score Computation
