NOTIFICATION: RESEARCH INTERNSHIP AT IIMK

Chairperson - Research

Consultant (General Administration)

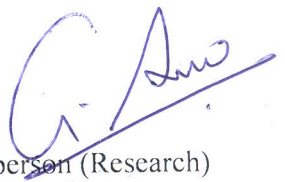

31 August 2022

Students from premier higher educational institutes are invited to apply for Research Internship at IIM Kozhikode. The internships are for a tenure of one to two months within the period November 2022-January 2023. Academically motivated students may email or contact the IIMK faculty member directly (except faculty members who have requested to be placed on a 'do not contact' list for this purpose). Applicants must provide their curriculum vitae and a letter of recommendation from the HoD of their Institute to the faculty member for evaluation. Faculty members willing to use the opportunity will select the interns based on the applications they directly receive and intimate IIMK Research Office. The last date of receipt of internship application is 15th October 2022 for internships starting in November and 15th November 2022 for internships starting in December.

Selected candidates are eligible for a pro-rata monthly allowance of Rs. 5000/- and free hostel accommodation, if available, during Internship. If the accommodation not available in hostels, the candidate will have to arrange accommodation their own outside the campus. Interns will be issued a Certificate on successful completion of the Internship. Funds used for the monthly allowance will be from Faculty member's FDF.

Any queries may be directed to the IIM Kozhikode's Research Office email address research@iimk.ac.in.

Please take necessary steps to put up the notification in the IIM Kozhikode website.
