

PGP BL Students' Bodies

Students Council	<p>The BL Students' Council is a democratically elected student body that is the face of a diverse and dynamic PGP-BL batch. It coordinates and manages a plethora of activities related to student life at IIMK, including and not limited to academics, admissions, sports, arts, social media, hostel, mess and end-to-end international immersion coordination. The Students' Council acts as an interlocutor between the batch and the institute to ensure the welfare of students and foster an environment of learning and development.</p> <p>The list of members of the SCouncil is attached as Annexure 2</p>
-------------------------	---

Circles

Core Business Circle	The Core Business Circle aims to bring the lens of strategy and operational excellence to the core domains including, but not limited to manufacturing, environment, construction, and FMCG.
Contemporary Business Circle	The contemporary business circle aims to drive the student community transformation into future modern business leaders by exposing them to the ever-evolving landscape of contemporary disruptive technologies.
Conscious Business Circle	The Conscious Business circle helps the leaders of tomorrow make decisions that help us secure our tomorrow. Planet, People & Profit – Our modus operandi is in that particular order to ensure that while making any business decision we are mindful of the very things that aid our businesses.
Insights Circle	Insights circle aims to bring out the inquisitiveness within the young business leaders to quiz, debate, and have constructive discussions on the major happenings around the world.
Creativity Circle	The creativity circle of PGPBL at IIMK aims to conglomerate cultural diversity brought out by each individual hailing from different parts of India through events that foster participation, stimulate creativity, showcase talent and create a sense of togetherness among the batch.
Merchandise And Design Circle	Merchandise circle comes with the vision of "Carrying life-long memories" that aims to create customized merchandise which integrates memories, pride, and enthusiasm.
Infrastructure And Facilities Circle	Infrastructure and Facilities circle aims to make the stay comfortable and peaceful for all resident scholars by ensuring the smooth functioning of all facilities on campus and striving towards innovative and sustainable solutions.
Social Media Circle	The Social Media Circle or the PR cell acts as a window into the daily life and experiences of PGP-BL students. SMC ensures that all the important happenings of the batch are shared with the external world via online social media platforms
Sports And Wellness Circle	The Sports & Wellness circle organizes on-campus sports/games tournaments and conducts various wellness activities.
