OFFICE ORDER No. 01-10(246)/2024-IIMK.DO

1. Considering the extensive scope of student activities within the institution, it is considered appropriate to separate the placement role for PGP-BL. The placement activity will now be referred to as CARE (Corporate Access, Readiness and Engagement). As we transition towards CARE, it becomes crucial to acknowledge the challenges faced by a single Chair in overseeing this process without sufficient support resources. Therefore, until additional resources are acquired to strengthen the CARE team, it is essential to have two faculty members dedicate their time during this transitional phase. Consequently, the following executive committees are constituted with effect from 01st April 2024:
