2023**

Foreword

The Placements' team at IIM Kozhikode takes great pride in announcing the successful conclusion of the Final Placements for the PGP batch of 2021-2023 and second batches of PGP Liberal Studies & Management and PGP Finance. The team would like to take this opportunity to acknowledge the contribution of every individual who has assisted in conducting a successful final placements season and has contributed to growing IIM Kozhikode's stature globally.

First and foremost we would like to thank our recruiters for continuing to demonstrate their faith in IIM Kozhikode. We have had an overwhelming response from an increasing number of recruiters who have chosen to invest in the caliber and diverse demographic of the students at IIM Kozhikode. We will strive to nurture these partnerships in the best manner possible.

The team would like to convey its heartfelt thanks to the global alumni base of the institute for their ceaseless support and assistance. The success of the placements season is purely because of the valuable support and tireless effort of each and every student of the institute.

We hope to build stronger relationships with our recruiters and continue to take IIM Kozhikode to greater heights. By nurturing leaders we wish to stay true to our motto of 'Globalizing Indian Thought' and effect positive societal change through sustainable business practices.
