Globalizing Indian Thought

**SUMMER INTERNSHIP
PLACEMENTS REPORT 2022**

Foreword

The IIM Kozhikode Placements Team is pleased to announce the conclusion of the Summer Placements Process 2022 for students from the 26th batch of PGP, as well as the 3rd batch of PGP Finance and PGP Liberal Studies and Management.

We extend a heartfelt thanks to all of our recruiters for their unwavering support and belief in IIM Kozhikode. Despite the enormous hurdles posed by the resurgence of the virus, we have received an overwhelmingly positive response from a growing number of recruiters who have committed to invest in the calibre of our students. We look forward to cultivating and strengthening these ties in the years ahead.

The team would like to express its greatest appreciation to the institute's global alumni community for their never-ending support and encouragement. The success of the placements season is entirely due to the outstanding cooperation and tireless effort of each and every member of the institute.

We're committed to strengthening our partnerships with recruiters and continuing to provide a seamless platform for corporate-academic collaboration. We live by the motto '*Globalizing Indian Thought*,' and we will strive harder to ensure that our students are poised to bring about significant influence in all facets of life and business.
