Sir,

Point wise reply suggested as below -

(a) whether the prevalence of various forms of gender discrimination like sex discrimination, female infanticide, dowry, female illiteracy and crimes against women have increased over the period of time in educational institutes, workplaces and various other public organizations in India;

No such instance have been reported at IIMK so far.

(b) if so, the details thereof -----

(c) whether the Government plans to introduce gender sensitization as a part of **primary education in India**, if so, the details thereof and if not, the reasons therefor; -----

(d) the details of long-term and short term solutions being acted upon by the Government to eliminate gender inequalities and prevent crimes against women in India?

IIMK has given preference to women candidates in course admissions and for various jobs within Institute subject to their suitability. IIMK also has a Internal Complaint Committee on sexual harassment, Anti Ragging Committee and Anti Ragging Squad, fully functional, with adequate representation of women, as a preventive measure to avoid crimes via ragging. IIMK ensures female faculty act as hostel wardens to facilitate ease of interaction by female students after class hours. IIMK also conducts periodical gender sensitization workshops amongst students, faculty and staff taking assistance from external experts on the subject. IIMK Board also holds 6 women members from diverse fields, industry & academia.
