APPROVED MINUTES

MINUTES OF THE 103rd BOARD OF GOVERNORS MEETING OF INDIAN INSTITUTE OF MANAGEMENT KOZHIKODE HELD ON 22 JULY 2023 AT 16:00 HRS IN WAYANAD

BGM 103.16 Recruitment of Research Staff/Consultants for expansion of Institutional activities beyond campus

Developing our outreach in multiple sectors including education and branding remains an important strategic priority of the Institute. It is also a major criterion for assessment of global accreditations like AMBA, AACSB and EQUIS.

In order to plan and conduct our outreach activities in an effective manner, the Institute needs to recruit research staff and experts in several spheres of Institutional activity. This may also require appointment of candidates with multiple specializations and willing to operate from locations other than Kozhikode, as availability of skilled talent locally is often found a challenge.

The Board may authorise the Director to appoint Research Staff/Consultants based on requirement for a fixed term on contract basis to provide expertise and support for Director's outreach activities in multiple sectors. The salary of the staff so recruited will be fixed at an appropriate level based on profile and suitability of the candidates.

Submitted to the Board for kind information and approval.

The Board approved the above proposal for Recruitment of Research Staff/Consultants as proposed above.
