MINUTES OF THE 99th BOARD OF GOVERNORS MEETING OF INDIAN INSTITUTE OF MANAGEMENT KOZHIKODE HELD ON 23 JULY 2022 AT 11:00 HRS IN KOCHI

5. Proposal to accept Royalty Income from Case Clearing Houses

IIMK has an agreement with Sage Publications, United States, to publish Case Studies written by the faculty members of IIMK since the year 2019. The Sage publications has published twenty-nine (29) cases during the last year. Similarly, our faculty members have also published cases with another leading publisher of instructional material namely the Case Centre, UK. These international publishers and case clearing houses have now released royalty to the Institute towards the cases published.

We are already providing credit points to faculty members for writing and publishing cases. As the faculty are associated with the Institute and uses institute's resources, the royalty income received should be shared between the faculty and the Institute. Considering the efforts put by the faculty in writing cases and getting it cleared from an international case clearing houses, it is proposed that the royalty payment received from the case clearing houses may be shared between the faculty and the Institute in the ratio of 80:20. The same ratio of sharing royalty may be made applicable to revenue from cases from other publishers as well as subscription revenue received by cases published by IIMK in future.

The Board may consider the above proposal.

The Board approved the above proposal to accept Royalty Income from Case Clearing Houses.
