2. Proposal for Job Rotation of Specialized Positions

The following positions have been created as specialized positions in the Institute -

- (a) Manager MDP
- (b) Manager EPGP
- (c) Manager Kochi Campus
- (d) Junior Manager EPGP
- (e) Junior Manager Hospitality (yet to recruit)

The positions had been created for specific job requirements of the concerned departments and skills for business development and interactions with public and private sector clients.

Job rotation is a means of learning and development, give the staff a wider perspective and utilize their skills to the benefit of the organization.

It is proposed that these staff may be rotated and assigned to posts having similar job profiles. In such rotations their designation of Manager/Junior Manager will remain the same. The rotation may be carried out by the Director in consultations with the Deans and CAO after assessing the need for rotation and identifying suitable profiles for them to be assigned.

The Board approved the above Proposal for Job Rotation
